

Bromley Youth Council Elections 2010

Bullers Wood School took part again in the borough-wide Bromley Youth Council elections

on 29th January 2010. This was a unique opportunity to actively involve our students in the citizenship agenda and to encourage them to have a voice in the Borough. Another objective of this initiative is to

encourage more young people to vote in General and Local Elections by allowing them to participate in the democratic process in circumstances that mirror the real

experience. The school already has two representatives on Bromley Youth Council following our participation in 2009 and the event was supported by members of the BYC, as well as Bullers Wood Student Council, who acted very efficiently as Polling Clerks.

This year, six students from Bullers Wood stood for election and the two with the most votes will join Bromley Youth Council. The results will be announced at a special event to be held at the Civic Centre on the evening of Friday 12th February, to which all candidates are invited.
