RECYCLING

Reuse, Recycle, Redeem!

[www.reciproc8.co.uk](http://www.reciproc8.co.uk)

The school has registered with this company which recycles consumer electronic equipment. This includes mobile phones, PDAs, MP3/4s, SatNavs, Ink Jet Cartridges & Toners and similar products. The scheme enables us to gain points to earn FREE benefits for the school, such as classroom and presentation equipment, arts and crafts materials and school visits, whilst at the same time helping the environment.

There is a recycling point in the Link Block corridor opposite the Dining Hall so if you or anyone in your family were lucky enough to receive a new gadget for Christmas, please consider sending in the redundant article to be recycled!
